Re: Mel Corley
Sign Permits AZ

I have found that Mel Corley is a very organized and punctual person. He is involved in the process of permitting signage every day and in every city in the Phoenix metropolitan area.

He provides quality service in the day-to-day dealing of permits that ties so many companies in to unproductive usage of time that his service is indeed valuable to any sign company.

If you have any questions, please feel free to contact me at any time.

Sincerely,
